Housing policy;

This housing policy outlines the order of precedence for the annual housing ballot for returners, and is subject to review each year by the MCR to best reflect the views of the MCR and honour scholarships offered by Lincoln College.

The MCR Secretary serving in Hilary Term is responsible for collecting the names of those interested in joining the housing ballot, and ranking the entered students according to the policy. During Trinity term, the incoming MCR Secretary is responsible for conducting a housing ballot for returning graduates.

The order of precedence for the housing ballot is as follows:

1. MCR Executive Committee
2. MCR Social Secretaries
3. MCR Welfare Officers
4. MCR Academic Officers
5. Three MCR Representatives, up to a maximum of 12 Committee members in total. Precedence amongst the remaining Committee members will be decided randomly.
6. Those who have never lived in Lincoln accommodation
7. Those who have lived in Lincoln accommodation for 1 year
8. Those who have lived in Lincoln accommodation for 2 years
9. Those who have lived in Lincoln accommodation for 3 years etc.

Senior Scholars of the incoming year will be given guaranteed accommodation by College whenever possible

All students who have entered the ballot and are not a member of the MCR committee or awarded a Senior Scholarship are randomly ranked within their designated band (e.g. amongst the other students who have lived in Lincoln accommodation for the same number of years as themselves).

A total of 12 spots are available for MCR committee members. They follow the order of precedence for the first 5 bands. If more than 3 Representatives wish to ballot, the unselected representatives will be placed into their appropriate band based on their years in Lincoln accommodation, and randomly ranked with their fellow students.

The Housing Ballot will take place in Trinity Term to allocate College accommodation for the following academic year. Those positions on the Housing Ballot occupied by the MCR Committee will be given to Committee members who will be in their positions during the Michaelmas Term following the Housing Ballot.

Students also have the right to ballot with a group of friends to ensure they can select housing as a group. In the case of students balloting together but occupying different bands in the ballot, students

will be placed in a group in the band of the lowest ranked student of their group (e.g. 3 friends occupying bands 4, 5, and 7 will all be put together in band 7).

The list of students as they have been ranked will be circulated to the MCR in advance of the housing ballot.
